About MakeMusic, Inc.

MakeMusic®, Inc. is a world leader in music technology whose mission is to develop and market solutions that transform how music is composed, taught, learned and performed. For more than 20 years, [Finale®](#) has been the industry standard in music notation software, enabling composers, arrangers, musicians, teachers, students and publishers to create, edit, audition, print and publish musical scores. MakeMusic is also the creator of [SmartMusic®](#) interactive software that is transforming the way students practice. With SmartMusic, students and teachers have access to thousands of band, orchestra and vocal pieces allowing students to practice with background accompaniment and get immediate feedback on their performance. SmartMusic allows teachers to individualize instruction and document the progress of every student. The **SmartMusic Inbox™**, an Android™ and Apple® mobile application, provides additional access for teachers to review, grade and comment on student assignments. **MusicXML™** is an Internet-friendly way to publish musical scores, enabling musicians to distribute interactive sheet music online and to use sheet music files with a wide variety of musical applications. **Garritan™** sound libraries provide musicians with state-of-the-art virtual instruments with the playback quality of a live performance.
